Hi Jim,

Yes, that seems appropriate to me. The motion that was allowed only requests the protocols for the substances seized and analyzed for controlled substances.

Thank you.

Hi Joella,

Are you referring to the 2 samples submitted by the Hadley PD on 3/21/12 sample # [REDACTED] The samples where analyzed as amphetamine and marihuana. If so we can just send protocols for amphetamine and marihuana, there would be too many pages if we sent all of our protocols and way too much wasted lab time.
